February 14, 1930

Edwin Bird, Esq.
405 Fifth Avenue
New York City

Dear Sir:

Your letter of February 8th is at hand, and we very much appreciate your gift of the medals collected by Mr. Charles T. Cook, which we are very glad indeed to have for our collection. I am glad that you did not have the medals cleaned,-we can do that very easily here.

Will you please accept for yourself,and convey to your brother, an expression of thanks for your thought for us.

Yours very truly,

Secretary.
